## ROAD DESCRIPTION

The hotel in the Sophienpark lies in the heart of Baden-Baden. To form your journey so simple as possible, we ask you to use the enclosed journey sketch instead of the navigation system. If you still like to use your navigation system please mark Zähringerstrasse as a stopover. From this point you will reach us in a few driving minutes.

On the highway A5 you take the slip road to Baden-Baden and follow the B 500 in the direction of Baden-Baden.

Take the left roadside in the direction of city centre and follow the signs to the Festspielhaus or the Caracalla Therme. At the third traffic light turn left and follow the street (sharp legal curve). At the next traffic light turn left again and drive uphill into Leopoldstrasse in the direction of Caracalla Therme.

By driving at Leopoldstrasse you automatically reach Zähringerstrasse and drive through the tunnel.

After the tunnel please turn right at the first traffic light (direction of German Red Cross clinic - Bath quarter Baden-Baden). Now always drive straight ahead you reach the Sophienstrasse. Please drive now up to the end of the avenue and make an U-turn. After 20 metres you find on the right side the **HOTEL AM SOPHIENPARK**.
